2. [Biologia Cellulare e Molecolare e Scienze Biomediche](#) (Classe LM-6)
3. [Biologia Evoluzionistica, Ecologia e Antropologia Applicata](#) (Classe LM-6)
4. [Master of Science in Biotechnology](#) (Classe LM – 8) Erogato in lingua inglese **
5. [Chimica](#) (Classe LM-54)
6. [Fisica](#) (Classe LM-17)
7. [Informatica](#) (Classe LM-18)
8. [Matematica Pura e Applicata](#) (classe LM-40)
9. [Scienze e Tecnologie dei Materiali](#) (Classe LM-53)

The procedure for **non-EU students** applying for visas will be active from **12th June until 14th July**, as reported on p. 3 of the **call** for admission that can be found here:

<https://www-2022.scienze.uniroma2.it/corsi-di-laurea-magistrale-ad-accesso-libero/>

The visa application is submitted exclusively through the University site:

<https://www.universitaly.it/index.php/students/stranieri platform> .

The application must be submitted **by 31st July**.

The University does not issue letters of admission. Once admitted, you can print the **screenshot** of the admission result on the DELPHI system.

When the application on University is validated, we will indicate that it has been admitted with reservations.

By July 31st, you must upload the final certificate of Italian language level B2 and the certificate of comparability issued by CIMEA on the University platform, to be requested at the following link:

<https://cimea.diplo-me.eu/torvergata/#/auth/login>

The certificate must express a favorable opinion on enrolment.

These are the necessary procedures that all non-EU students must follow to come and study in Italy and at our university.

Consequently, we advise you to register as soon as possible on the University portal, to request the certificate of comparability at CIMEA and from 12th June to register on the DELPHI system for the procedure of verification of curricular requirements.

If you need support for registration on the DELPHI portal, you can contact the colleagues of the Welcome Office welcome@uniroma2.it
